Re: Mr. Yuto NAGATOMO
2018 FIFA World Cup Russia™

Dear Mr. Cengiz,

I would like to express our sincere gratitude to you for your kind understanding and cooperation in releasing your player, Mr. Yuto Nagatomo to Japan National Team all the time.

We finished the 2018 FIFA World Cup Russia™ at the Round 16 but it was good experience for next step of our country.
Mr.Yuto Nagatomo made a great contribution for the Japan National Team.

We will start the new team from this September on the FIFA match weeks for the preparation of 2019 AFC Asian Cup UAE in January.

We hope to maintain the good relationship with your club and we would like to ask for your continued cooperation and understanding for Japan National Team.

Wishing Galatasaray Sports Club great success and prosperity,

Sincerely yours,

関塚 隆
